

Co-Teaching Structured Planning Protocol

Adapted from Marilyn Friend

For an upcoming lesson/unit

- I. General education teacher outlines upcoming curriculum
(12 minutes)

- II. Together, discuss student data
(10 minutes)

- III. Together, teachers discuss points of difficulty in the material and areas that might require additional support/scaffolding
(15 minutes)

- IV. Together teachers discuss approaches for their co-teaching, groupings, based on planned material and student data.
(15 minutes)

- V. Partnership discussion
(8 minutes)
 - A. What have we done well?

 - B. What can we fine tune (adjust, do differently)?

(Total of 60 minutes)
