

## 1 CERS SEPARATION & STABILITY FORUM

**OCTOBER 3, 2017, 5:30PM – 7:00PM**

Northern Kentucky Convention Center- Ballroom DE, Covington, KY

CERS SEPARATION & STABILITY: Right now our state leaders are looking into solutions to fix Kentucky’s ailing pension systems. The County Employees Retirement System (CERS) is not one of those failing systems, but has instead seen upward growth and is on track to be fully funded. Kentucky League of Cities moderators and other retirement experts will be speaking at this meeting on behalf of active and retired CERS members. These CERS members will discuss the current threats to our fully functioning retirement system and share our plan to separate the CERS pension system, allowing our legislators to focus their energy and resources on fixing the actual problems that face Kentucky systems. The information shared is vitally important for all CERS employees and retirees. Come join the discussion!
